

This year in France, the G8 and G20 will take place. A gathering of the biggest and most powerful nations in the world. In the social order that these summit-conferences represent, Man and Nature are being subdued to the maximization of profits. 'Vereniging Weldaad' is organizing an info-meeting on reasons for and the urgency of (decentralized) action against G8/G20.

Introduction by: Kees Stad (Globalinfo/Klasse)  
Afterwards there will be room for discussion and relevant film-material.

Thursday June 16th, 20.00hrs until 22.00hrs  
Hall of Fame, st. Ceciliastraat 23, Tilburg  
Entrance; Free
